

TOG Environmental Policy

TOG is committed to producing quality spectacle lens products, which are environmentally responsible, and thus has universally implemented the environment management system ISO14001. All employees and business partners are urged to actively engage in and act according to the following principles:

1. Strictly comply with the laws, rules, regulations and all environmental obligations related to our company's business operations.
2. Commit to the most efficient use of resources, to better protect the environment in sustainable ways.
3. Assess the risks of, control, prevent and reduce environmental impact, resulting from TOG's activities, to eliminate, as far as possible, any impact on the environment and surrounding communities.
4. Promote and develop products, technologies or production process activities, to be more environmentally friendly and in line with the lifecycle perspective.
5. Encourage continuous improvement in environmental performance, linked to the sustainability targets.
6. Seek to learn, understand and proactively participate in environmental responsibility.

The above policy has been approved and put into effect on 4th January 2022
