Thai Optical Group Pcl

TOG on 2022 THSI Sustainable Stock List

Thai Optical Group Public Company Limited (TOG) has been selected as one of four Consumer Products Listed Companies on **the 2022 THAILAND SUSTAINABILITY INVESTMENT (THSI) List**, by the Stock Exchange of Thailand. The 2022 THSI list contains 170 listed public companies, which constitute a market value of THB14 trillion, or 72% of the combined SET and MAI market capitalization, as of 3rd October 2022.

TOG's listing demonstrates an unwavering commitment to embracing sustainability strategies within business operations, anchored in the ESG pillars: **Environment, Society and Governance**. Developing continuous and sustainable growth, as well as new sustainable lens products, TOG operates under the '**Craft with Care**' principle, to help people around the world lead healthier and more fulfilling lives, through the power of sight.
